PRESIDENT'S MESSAGE

Michael H. Rogan
President/CEO
Wesleyan Senior Living

Winter 2010

Last spring, I wrote about the challenges that our organization and industry were trying to deal with in the face of sagging economy, investment, and real estate markets. As we all know, these challenges

were not unique to us, and certainly every person, organization and company throughout the country has been impacted. Some have endured more hardships than others, but I think it is safe to say that all of our lives are no longer "normal."

Much has been written about the "new normal." The new normal to us means that we have had to take a look at everything we do and how we do it. The statement "that's the way we've always done it" is no longer valid or acceptable. We have all had to change and adjust. We have had to make some painful and unpleasant decisions, and had to end some long-term relationships.

Despite all of the changes, one area that has been non-negotiable is Resident care. We remain committed to our mission and

our 114-year history of providing quality care and services to all we serve. That will not change!

Another dynamic that has not changed is the commitment and support of our Residents, associates and benefactors. All have been patient, understanding and generous as we cope with these difficult times. The response has often been encouraging and heartwarming.

We appear to have turned the corner for 2010, and conditions seem poised for a rebound, albeit a slow and steady one. Our efforts at dealing with the issues are now reaping positive results. That would not have happened without the collective efforts of all of you. So, a huge thank you to all, and here's to looking forward to improving times ahead.

Don't forget that Mother's and Father's Day is just around the corner. You can honor your loved ones by giving a gift in honor of them or their memory.

The 2010 Mother's and Father's Day Appeal provides much-needed funds to support our Life Care Fund. The Life Care Fund provides support to Residents whose financial resources have been depleted. It is our Promise that we will never ask anyone to leave Wesleyan Senior Living for lack of financial resources. To make and keep this promise, we depend on many thoughtful donors to help support our mission. Help honor those mothers and fathers who call Wesleyan Senior Living home.

If you have any questions about this appeal or about Wesleyan Senior Living Foundation, please call 440-934-0770.

Our Mission:

To provide quality services and residences enabling persons to age creatively with the support of a Christian community

KRISTEN'S COMMENTS

Kristen Jones

Director of Development and Church Relations,
Wesleyan Senior Living Foundation

Stepping Up To The Plate

Tuesday and Thursday were my most-dreaded school days when I was young. It wasn't English or Social Studies or Science that caused me fear and trepidation—it was gym class or "Physical Education" in its more formal title.

My most feared team activity? Baseball. My palms still get damp just thinking about it. I knew my skills were meager at best. I was absolutely certain that there wasn't anything I could contribute that would be of value or worth. I dreaded the moment when I would be asked to "step up to the plate..."

Those days are long past, and as adults we are plagued by different concerns. I think many of us fear philanthropy in much the same way I dreaded those gym classes. We too often believe that there are others who are better suited to step forward...others who can "step up to the plate." We often think, "Others have more to offer – let them carry the load" or "My small contribution is just a drop in the bucket. It can't possibly go very far."

Actress Lily Tomlin once said, "I always wondered why somebody didn't do something about that. And then I realized I was somebody." Philanthropy, whether the

giving of dollars, time, possessions or skills, is fundamental to Wesleyan Senior Living's ministry to older adults. Every contribution, large and small, makes a difference in the life of an older adult.

As you look through this issue which features our annual Honor Roll of Donors, you'll see hundreds of individuals, churches and organizations who have been inspired to give generously. Each one has "stepped up to the plate." Imagine the devastating impact if all these contributors had thought, "Let someone else do it..."

We are called to give generously first because we are recipients of God's generosity, and second, because God has made us stewards of those gifts. Wesleyan Senior Living is blessed through your gifts, prayers and service. As we take a leap of faith boldly into 2010, won't you join us in "stepping up to the plate?"

The Gift of a Dream - *Wishes Do Come True*

Second Wind Dreams is an exciting program that provides Residents of Wesleyan Senior Living with the opportunity to have their wishes and dreams come true. Wesleyan Senior Living brought this program to our community in 2004, and since then, the program has fulfilled dozens of dreams, which have included trips to visit far-away relatives, enjoying a major league baseball game and picnic, spending time by a lake in the country, going to the theatre and a host of other wishes.

The program is volunteer run and has no administration fees. It enjoys the amazing support of Residents, staff and the community who have donated their time, energy and financial support. This year, a generous grant from the Community Foundation of Lorain County will enable the program to award many dreams to our Residents. We are grateful to this organization for their ongoing and generous support of the program.

The goals of *Second Wind Dreams* are to:

- Make the life of Residents a little brighter
- Enable family, friends and staff the opportunity to spread joy
- Express to the broader community that older adults are a vital part of society – with dreams to live and stories to share.

Funds raised for the *Second Wind Dreams* program go directly to fulfilling experiences for older adults residing in our community. If you would like to volunteer, contribute or suggest a dream for a Resident you care about, contact Kristen Jones in the Foundation office at (440) 934-6161 or kjones@villageliving.org.

“Miss Brown’s gift means a great deal to us. The sad thing was that we can never say thank you to the donor. Her gift was given out of concern for the future care of older adults. I wish we could tell her the impact of her contribution.”

The Gift of a Legacy

By Kristen Jones

Many years ago, Miss E. Brown decided that she would make a lasting gift to Wesleyan Senior Living through inclusion in her will. Having passed away in 1983, she made provisions for her surviving heirs until the end of their lifetimes, and that having come to pass, Wesleyan Senior Living received a large bequest from her estate. Miss Brown never knew her gift could go so far in helping older adults.

Miss Brown’s gift means a great deal to us. The sad thing was that we can never say thank you to the donor. Her gift was given out of concern for the future care of older adults. I wish we could tell her the impact of her contribution.

Each year we receive monetary gifts from wills and bequests. The persons who remember us have lived far and near — Miss Brown’s residence, for example, was in California. The gifts range in size from a few hundred dollars to several hundred thousand dollars. Usually, the donor has provided for family members, friends, local churches and charities such as Wesleyan Senior Living, and often, persons are able to make their largest gift ever through their wills.

Sadly, we will never be able to thank Miss Brown for her foresight and generosity. I would have enjoyed the privilege of being able to personally express our gratitude. We can never say thank you enough for her generosity, and the generosity of so many like her.

If you have already included us in your will, we hope you will share this information with us so we can thank you properly and keep you informed of our programs and plans. If you already have a Will or Trust but would now like to include WSL, you do not have to rewrite your current documents. You may simply make an amendment.

Here is some suggested bequest language you can have your tax advisor review:

I give and bequeath to Wesleyan Senior Living, located in Elyria, OH, the sum of _____ dollars (\$ _____)

OR

_____ percent (_____ %) of the rest, residue and remainder of my estate.

We’re here to help you with any questions. Please don’t hesitate to contact Kristen Jones in the Foundation office at (440) 934-6161 or kjones@villageliving.org.

2009 Donors

Wesleyan Senior Living is able to provide care for all of our Residents because of the gifts given by individuals, churches and groups who care about improving the quality of life for older adults. The gifts listed in this issue of "The Messenger" were received between January 1, 2009, and December 31, 2009. The entire Wesleyan Senior Living family thanks you for your support!

The Gift of Education - a Lifetime of Giving

By Kristen Jones

As a pastor's wife, Frances Conway-Gallis spent many years serving churches throughout the East Ohio Conference. Together with her husband, Rev. Allen Conway, they shared a ministry of service and compassion. Frances – whose passions in life were her husband, her family and her love of music and education – shared her many gifts with all those who knew her. She lost her husband, Allen, upon his passing in 1979, and later married Bob Gallis in 1987. Frances and Bob had been married for nearly 10 years when they moved to Wesleyan Village in the spring of 1996. Bob passed away in 1997, and Frances lived on to become a longtime Resident at the Village, until her death in April 2009. We were fortunate to count her among our Blessings for so many years.

Seeking a fitting tribute to their mother's memory, Frances' four children decided to honor her through a gift that would keep on giving -- through generous contributions to two of Wesleyan Senior Living's endowed funds that provide scholarship support for employees -- our Associates -- who wish to continue their education. Frances' son, Dr. Rollin Conway, noted, "Our mother was deeply committed to education, and she truly appreciated the wonderful care she received from the Associates at Wesleyan Village. We know she would have been pleased to know that her legacy continues on by helping others attain their educational goals. It is truly a fitting celebration of her life."

Frances Conway Gallis

A good education is a gift that lasts a lifetime. The Mary Elizabeth Kraft Scholarship Fund and the Robert Neiswander Memorial Scholarship Endowments were each created to assist our Associates in furthering their education through the awarding and distribution of scholarship funds. We know this benefits our Residents as well, through increased knowledge and skills in geriatric care.

Marsha Robinette, STNA, is one of the individuals who has benefitted by receiving assistance to continue her education through the Mary Elizabeth Kraft Scholarship Fund:

"The scholarship is what made my final decision to further my education. As a single mother of 3 children, and working full time, finances are always an issue. I have been employed by Wesleyan Village for 12 years, and this scholarship helped me advance my education in obtaining my LPN license."

Many of our loyal supporters choose to contribute through the creation of a legacy plan that continues helping others, both now and in the future. Contributions can be made to pre-existing endowed funds, or we can help you plan for a fund through your estate. For more information, contact Kristen Jones in the Foundation office at (440) 934-6161 or kjones@villageliving.org.

Mom used to give you chicken soup
when you were sick.

When your family had an emergency,
neighbors stepped in to supply casseroles.

They were there when you needed them.
We're there when they need us now.

Mr. J is an 81-year-old widower who has lived alone for six years. When his health began to deteriorate last year, his physician talked to him about moving to residential care. One factor in his declining health was poor nutrition. His daughter, who lives out of state, called Wesleyan Senior Living to inquire about our meal delivery program, and a call to her father's physician convinced them to try having meals delivered to Mr. J's home.

The solution was fairly simple: Since Mr. J was unable to shop and prepare nutritious meals for himself, a daily delivery of a hot meal could help build strength and keep him independent. The family credits the Mobile Meals program with Mr. J's improved mental and physical health.

Wesleyan Senior Living's Mobile Meals program brings hot, nutritious meals to Elyria's home-bound seniors. It also brings social interaction through the friendly visits of our volunteer drivers. The need for funding of this program, as well as the ongoing need for more volunteer drivers, is especially crucial during the cold winter months.

Recently, the Wal-Mart store (Chesnut Commons, Elyria), saw the importance of this vital mission and rose to the challenge through a generous donation that will help supplement the growing costs of our Mobile Meals program. We thank them for their financial support!

If you would like information on how you can help, either through monetary contributions or the contribution of time, please contact Kristen Jones at (440) 934-6161.

From the right: Bob Butler (Wal-mart manager), Kristen Jones and Pam Koutsaftis at the check presentation for Mobile Meals.

*"Gratitude unlocks the fullness of life...
it can turn a meal into a feast, a house
into a home, a stranger into a friend."*

A Celebration of Giving

We were pleased to welcome our "largest-ever" group of attendees to the Mary Lilly Society Luncheon as members gathered on October 22, 2009, to celebrate a mutual commitment to sustaining a legacy of planned giving which will make an impact in years to come.

As guests arrived, they were welcomed by two important founders from our past, "Mary Lilly" and "Mary Foster", portrayed by Mrs. Martha Wason and Mrs. Charlotte Norris. Following an invocation by Foundation board chairman, Rev. R. Edwin Crabtree, guests enjoyed a delicious harvest-inspired meal prepared by our Executive Chef, Enrique Martinez. We were pleased to welcome special guests Mrs. Ara Lou Waldock, great-granddaughter of our founder Mary Lilly, as well as her son, Mr. Robert Waldock.

New members of the Mary Lilly Society – Mr. and Mrs. Richard (Carol) Branting, Mrs. Carol J. Gibb, Rev. Dr. and Mrs. Richard (Liz) Parks, Mr. and Mrs. Michael H. (Marydale) Rogan and Mr. and Mrs. Frederick (Peg) Saur – were recognized and congratulated. The event concluded with a program of musical standards offered by harpist Cecilia Ilg McKay, pianist Sandra Tucker and baritone Richard Fortney, representing TrueNorth Cultural Arts.

We look forward to next fall's annual luncheon on October 20, 2010, and to welcoming new members of the Mary Lilly Society! If you'd like more information on the Society and how you might become a member, contact Kristen Jones in the Foundation office at (440) 934-6161.
